Statement of the Czech Rectors Conference Presidium on the Emergency Measure of the Ministry of Health of the Czech Republic

Czech Rectors Conference takes into account the emergency measure of the Ministry of Health of the Czech Republic to cancel direct teaching at higher education institutions from 11 March 2020 until further notice. Various forms of non-contact teaching are still possible. Ensuring the operation of all higher education institutions workplaces is upon individual rectors, respectively upon higher education institutions managements and their agreement with relevant members of staff.
